The 'Account' feature is a secure, personalized center for you to keep track of products of interest and orders. This information is safely contained in a confidential and secure state, unless you specifically request a list to be shared.

If you choose not to set up an account, you are still able to search our website and product pages, and conduct secure transactions and purchases.

If you choose not to provide information, we may not be able to provide you with requested products, services or information. An alternative to online purchasing would be to call our office to place an order over the phone.
